Campbell, CA – January 19, 2017— Cams.com has been one of the world’s largest camming sites for decades, and now they’re bringing the ultimate fan experience to the 2018 AVN Expo as a thank you to fans who have made the site a success. The event will be held from January 23-27 at the Hard Rock Café in Las Vegas.

Backed by parent company FriendFinder Networks (FFN), the world’s largest adult dating and interactive video network, the Cams.com booth promises a dazzling display of sex, technology, and fanfare. Highlights include center stage live cam shows going on throughout the event, as well as live demos of Buzzmode and other interactive toys that bring members a more intimate experience with their favorite performers. The company will also unveil a brand new model texting feature that offers fans the opportunity to keep in touch with the models they love, even when they are offline. They will also announce the signing of several top industry pornstars, and crown the new Cams.com Model of the Year.

Fans will be treated to appearances from Katie Morgan, Ash Hollywood, Jade Perez, Alena Croft, Alana Evans, Lisa Daniels, Nikki Delano, Alora Jaymes, NikkiBeez, JoySquirt69, and many more! They’ll be at the booth camming live, signing autographs, and meeting the fans who helped them become megastars.
