

## FriendFinder Networks to Attend AVN, ASW, & InterNext

Campbell, CA – January 12, 2017 – Hot on the heels of an award-winning trip to Xbiz, the affiliate team behind industry powerhouse FriendFinder Networks (FFN) announced today that they will be hitting the trade-show floor at InterNext, The Affiliate Summit West (ASW), and the AVN Adult Expo to kick off what promises to be the company’s biggest year yet.

“We are very selective in deciding which conferences to invest our time and money into, and these have all been consistently strong for us,” said Charlyn McNamara, Vice President of Marketing for FriendFinder Networks. “Every January, affiliates from around the world come in droves knowing they will meet with the crème de la crème of the adult entertainment space. I look forward to seeing some of our super affiliates and discussing our plans for the year, as well as meeting with anyone who isn’t already doing business with us.”

A team of our top executives and affiliate managers will be at these events, so stop by our booth or contact us at [affiliates@medley.com](mailto:affiliates@medley.com) to set up a meeting.
